## Academic bank of credits ID

As per the guidelines outlined in the circular issued by the university, all students are required to create an ABC ID. The principal has instructed that this ID should be uploaded to the UUCMS Portal for proper record-keeping and further processing. It is essential that each student completes this task promptly to comply with university regulations. The UUCMS Portal will be used to verify and track the submission of these IDs. Kindly ensure that the ABC ID is uploaded accurately to avoid any issues with your account or registration process.
