## **INDUSTRY INSTITUTE PARTNERSHIP CELL (IIPC)**

### **IIPC'S OBJECTIVE:**

The **Industry Institute Partnership Cell (IIPC)** aims to foster a strong and collaborative relationship between academia and industry. Its primary objective is to bridge the gap between theoretical knowledge and practical applications by facilitating industry exposure, internships, training programs, and collaborative projects for students.

### **IIPC'S MISSION STATEMENT:**

- Enhance employability by aligning academic curriculum with industry requirements.
- Provide hands-on experience and real-world insights through industry interactions.
- Encourage innovation and research collaborations with industry partners.
- Organize workshops, seminars, and guest lectures to equip students with the latest industry trends and technologies.
- Build a robust platform for internships and placement opportunities.

IIPC ensures that students are well-prepared to meet the demands of the professional world while contributing to industry growth and development.

### **MOTTO OF IIPC**

**"Bridging Academia and Industry for Transformative Growth."**
